Welcome to Denison!

We are proud to welcome the Class of 1992, and this book is our way of helping you begin what we know will be four of the most rewarding and memorable years of your life. It is our sincere hope that this edition of the Freshman Register will be instrumental in orienting you as new members in our community.

By virtue of being a Denison student, you are now also a member of the Denison Campus Government Association. D.C.G.A. exists to serve all Denison students and to promote their interests on campus. Because of the affiliation of sixty organizations and an operating budget of up to \$250,000, D.C.G.A. plays a very significant role in determining the daily life of our university. We want to encourage you to actively participate in maintaining and improving the quality of our community through student government, campus clubs, sports, organizations, and especially your individual responsibility and initiative. Involve yourself, the community is what you make it!

We look forward to seeing you through the course of the new school year. The D.C.G.A. offices are located on the second floor of Slayter Student Union, so we are very accessible to the students who help make the government work. This includes you, so feel free to stop by for any information regarding campus life, or simply to get acquainted.

Welcome, once again—and we wish you the best of luck!!

Sincerely;

Nancy E. Coutts  
D.C.G.A. Vice-President  
1987-1988
